

HANDS &
VOICES™
MICHIGAN

**Because we know it's about
more than just a tax deduction...**

Our clients give generously to charities and non-profits, and at ShindelRock our team shares your commitment to these worthy causes. That's why we're pleased to introduce a matching program for a Michigan 501(c)3 organization that is important to our ShindelRock staff and families: Michigan Hands & Voices.

This organization, headquartered in Southeast Michigan, helps children who are deaf or hard of hearing reach their full potential by funding programs and activities that support them and their families. Their Guide By Your Side™ program in particular is a crucial resource allowing parents of deaf or hard of hearing children to connect with each other for emotional and practical support. For more information on Michigan Hands & Voices, visit www.mihandsandvoices.org.

For every dollar our clients donate this tax season to Michigan Hands & Voices, ShindelRock will match the donation up to \$5,000. We join our clients in supporting the organizations that make a difference in our community, and we thank you for participating!
